I just want to inform you that we have a program designed to help you consolidate all your unsecured debts, like credit cards, and personal loans, into one easy payment, while lowering your interest rates so you can get everything paid off sooner.

I will quickly verify your name and address and collect some basic information so we can make sure you would be a good match with this program. After I have finished the assessment I will bring a credit counselor on the line with us. OK?

If Yes, move to next question

If No, then ask: "Well do you have another form of income, like a pension, disability, or any other?"
